In the name of Allah the Gracious the Merciful.
Peace and Allah's mercy and [UI] be on you
There is no god but Allah Muhammad is [UI] Messenger

My brother Rafiq

Thank Allah be He exalted who facilitated for us this path and I truly ask Allah for success for us and for you and that He gathers us after the victory on bigger victories Allah willing for He is the Knower of the unseen and the seen the Omnipotent so I am not able to the waiting until I see the Roman state already has fallen and already the moment has come for the Jewish nation and the governors of the apostate nations and the hypocrite organizations so by Allah it will surely be a moment of celebration and happiness and restoration of the honor of our dear ones and our beloved ones and our martyrs and a moment for the beginning of the end and start of the fierce battles and the conquests and the strength of AL Q DAH

So I truly ask Allah from my heart to protect you and protect Allah's caliph on the earth the caliph that sacrificed in everything over the treasures of the entire world the commander may Allah be He exalted prosper him and prolong the life [UI] so I am not able to wait until I place a smile on his face in the strokes of the victory [UI] that there is plenty plenty of those who love him and want to support him and the time is coming Allah willing and the patience is a right and a reliefso I already came up with this honorable Hadith and Allah knows best already I used to read it in my boyhood before war of the land [UI] I already read it with one of the Hadiths on the date 1999

Already I was young and I loved the reading I read a Hadith about the Signs of the Hour and of it was sieging the land of the two tributaries and praise Allah no one was expecting and but [UI] the Knower of the unseen already notified our Prophet Allah's blessing and peace be upon [UI] the signs then there was another Hadith which is

Book : Kitab al-Fitan wa-al-Malahim

Chapter : Kitab al-Fitan wa-al-Malahim

Number of the Hadith : 8531

: Al-Hussein Bin Ya'cub Bin Yusuf al-'dl informed us, Yahya Bin Abi Talib informed us , 'Abd-al-Wahab Bin 'at'a informed us , Khalid al-Hidha' informed us , about Abi Qalabah , about Abi 'Asma' , about Thawban may Allah be pleased with him said

The Messenger of Allah Allah's blessing and peace be upon Him said :If you saw the black banners coming out from the side of Khurasan so come to them even if crawling for truly in it is Al-Mahdi Allah's Caliph

So praise Allah I truly believe that it is armies [UI] of the organization belonging to the commander and from them will be the awaited Al-Mahdi

And I truly ask Allah be He exalted to grant victory to the beloved Sheikh and join me with him even if in a cave and a loaf of bread

.....

So I truly thank Allah now yes I use the computer in the communications with ease and I already made my appearance like their appearances as if I am one of their brothers and but I will be a thorn of their thorns so a sacrifice for the beloved Prophet Allah's blessing and peace be upon [UI] and my creator and our beloved the commander and I truly ask Allah to make us all on His true [UI] and not to cause us to die except as we are Muslims

....

I already got prepared for Wednesday Allah willing and I truly am longing to see the dear brother Hussein and to speak with him about good subjects Allah willing so hopefully the moment will be close and nothing delays me except the papers

.....

And as for my message to the Sheikh and the commander and the caliph and the believer and the truthful and the beloved

[UI] Peace be on you O the beloved commander

. So from the Levant already Allah be He exalted facilitated for me a path from Him to join your ranks ranks of the truth and raising in our hearts the banner of Allah is the greatest there is no god but Allah Muhammad is Allah's Messenger.....

In the heart of the enemy and thank Allah be He exalted I truly am happy for this with happiness I was not in it before except after the victory with a bigger happiness and the joining to you to respond to you with allegiance Allah willing and the coming is greater so I am not able to write to you the loyalty and the love and the sacrifice to you who raised the banner of Islam from anew and you started in defeating the enemy forces and the apostates in every place..... so already you sacrificed in all you possess in this world for the sake of Allah's word becoming the most high and the returning of our honorable Al-Aqsa and restoring the honor of our Beloved Allah's blessing and peace be upon Him and recovering every land already looted or the unjust became in it

So I truly give you a promise that you truly are more cherished to me than myself and there truly was no energy like this in my soul before already it was bestowed upon me by [UI] be He exalted for [UI] He truly is the Omnipotent Lord of the great throne so the victory is coming Allah willing and I am truly longing to execute the coming operations which will be in consultation with you and in execution on our part until the victory time I want you when you go to for the dawn's prayer in this coming Friday to pray [UI] for me a special prayer to Allah [UI] and be He exalted that Allah gives me success in my path with you and to facilitate for me to join you after the blessed strikes and to pray [UI] for all my relatives

.....so from here

O the commander I am not able to describe to you the extent of my loyalty to your side and I truly long to be with you on one land [UI] let the history write your name until the Day of Judgement and that Allah builds for you gardens from [UI] and make you a companion to the beloved and the beloved ones in the highest ranks and destine for you the success and the victory and the strength and the prosperity from Allah be He exalted I ask Allah to protect

you from everything and humans and demons and devil and evil and cunning and an apostate to the victory and to give you what you ask and to compensate you for what you lost and gather you with your relatives and grant you victory upon the unjust people there is no Allah [sic] but Allah Muhammad is Allah's Messenger always and forever until the appointed meeting time

Allah willing these are my few words

And what is coming is more thus the words and the messages are not [UI] but simple and but the act and the coming and the person are greater Allah willing from here in the enemy's heart

Al-Hussam Aba al-Ayyubi.. ...Peace and Allah's mercy and [UI] be on you

So let the same ranks be for you my brother Rafiq you and those with you

.....
